**IMPORTANT INFORMATION REGARDING YOUR
BUSINESS ACCOUNTS**

MESSAGE FROM GEOFF BULLOCK

HARBORSTONE PRESIDENT AND CEO

We're excited to welcome your business to Harborstone Credit Union.

Bringing Savi and Harborstone together creates new opportunities to better serve local businesses and the communities we call home. Most importantly, it allows us to continue building meaningful relationships with business owners who work hard every day to grow, support employees, and strengthen our local economy.

Thank you for trusting us with your business. We know how important it is to have a financial partner you can rely on, and we're committed to helping your business thrive.

At Harborstone, business banking is about more than accounts and transactions. It's about having a knowledgeable team that understands your goals, anticipates your needs, and provides solutions that help your business succeed. Whether you're managing day-to-day operations, planning for growth, or navigating new opportunities, our experienced business banking team is here to support you every step of the way.

As a member-owned financial institution, we're focused on delivering value to the businesses and communities we serve. That commitment drives us to continually invest in the products, technology, expertise, and personalized service that help businesses thrive.

This guide includes important information about your Harborstone accounts, key details to help you navigate the conversion process, and an overview of the additional benefits and services now available to your business. You can also find the latest updates anytime at harborstone.com/savi, where we'll continue to share information and resources throughout the transition.

Together, we'll serve members through 29 locations and provide access to more than 30,000 surcharge-free ATMs nationwide. More importantly, your business is supported by a financial partner with expanded resources, deep business banking expertise, and a broader branch and ATM network — all while preserving the personalized service and local commitment you value.

If you have questions at any point during this transition, our team is here to help. Contact our Member Service Center at **1-800-523-3641**, chat with us online, or visit your local branch. We're committed to making the transition as seamless as possible.

Thank you again for the opportunity to serve your business. We look forward to continue supporting your success and helping your business achieve its goals for years to come.
